

**Questionnaire**

Following are a number of statements with which some people agree and others disagree. There are no right or wrong answers since many people have different opinions. We would like you to indicate your opinion about each statement by checking the alternative below it which best indicates the extent to which you disagree or agree with that statement.

Following is a sample item. Please check the alternative below the statement which best indicates your feeling.

	Strongly disagree	Moderately disagree	Neutral	Moderately agree	Strongly agree
Dutch cheese is tastier than Canadian cheese					

In answering this question, you should have checked one of the above alternatives. Some people would check Strongly Disagree, others would check Strongly Agree, and still others would check one of the alternatives in between. Which one you checked would indicate your own feelings based on everything you know and have heard. Note, there is no right or wrong answer. All that is important is that you indicate your personal feeling.

Please give your immediate reactions to each of the following items. Don't waste time thinking about each statement. Give your immediate feeling after reading each statement. On the other hand, please do not be careless, as it is important that we obtain your true feelings.
